### **Overview**

*MODEL: Lagoon 42*

*BUILT: 2017*

*4 Cabins 4 Heads*

### **The new Lagoon 42**

*This new member of the Lagoon family has style and a strong personality.*

*While keeping a family resemblance and retaining the main features of the latest generation of Lagoons, it shows us a new path: unhurried evolution, a new "organic" approach, in search of harmony between living space and man.*

*An elegant silhouette, flowing curves which, by virtue of a noticeable acceleration of the lines in the bows and in the new coachroof design, emphasise the powerful and dynamic nature of this new model... A VPLP design naturally, a guarantee of performance under sail!*

**On deck:**

- An ingenious deck layout
- An ergonomic helming station at the coachroof bulkhead
- A cosy cockpit, with smooth, elegant curves

**Below decks:**

*Once again, the Italian design firm combines elegance and functionality, of this new model*
